## OUR VISION

- "Enhancing Quality of life and bringing happiness with sustainability"
  - Having a complete alignment in what we feel, what we speak and what we do thereby demonstrating honesty and having strong moral principles.
  - Believing in "ONE FOR ALL & ALL FOR ONE" thereby working together to exceed our expectations in achieving organizational objectives.
  - Creating conditions and enabling people to take responsibility for enhanced contribution towards organizational objectives.
- 
- Pro-actively anticipating internal and external needs and relentlessly working towards exceeding their expectations.
  - To continuously explore, develop, create & implement new technology, process, ideas & products.
  - Our entity was conceived to ensure that the product have the best available specifications and built with cutting edge technology.
  - To provide our engineers and technicians with latest technology we shall upgrade our models regularly and frequently to make them well accepted by our dealers all over in order to be proud of fulfillment of our promise.
  - MAHEK FAN shall have a product for everyone.
  - Each product shall be built with Quality (by having a quality range of domestic & commercial fans). Accuracy and workmanship, our designs and color combination will be spectacular.

# HI-SPEED FANS

**Māhek**  
FANS

Raftaar High-Breeze is the best performer and bright color which will give you smooth air & comfort.

Available in SWEEP: - 1200 MM & 900 MM.

# RAFTAAR HIGH-BREEZE

<u>SWEEP</u> (mm)	<u>INPUT POWER</u> (watts)	<u>SPEED</u> (rpm)	<u>AIR DELIVERY</u> (cmm)
1200	80	410	230
900	85	650	210

Wider Blades at the tip. Superior Air Delivery. All MAHEK Fans have excellent low voltage performance i.e. the fan speed and air delivery are maintained even when the voltage falls below 200V. This is the definite advantage in semi urban areas where the problem of low voltage persists even today.

Available in SWEEP: - 1200 MM

<b>SWEEP</b> (mm)	<b>INPUT POWER</b> (watts)	<b>SPEED</b> (rpm)	<b>AIR DELIVERY</b> (cmm)
1200	80	410	230

# DECO GREEN

# DECO TRIN-TONE

MaheK's Decorative Ceiling Fan are designed to provide maximum Air Moving efficiency & improved comfort with decorative touch. High on performance & aesthetically pleasing, these fans not only serve the purpose of air circulation, but also lend a touch of elegance by enhancing the overall look, décor and feel of your place.
